File summary

1. File name: Parking_Violations_Issued_-_Fiscal_Year_2015
2. File size: 2.66GB
3. Number of rows:
4. Number of columns: 51
5. File format: .csv

Approach of reading the file

Dask dataframe is used to read the file using the call 'dask.dataframe.read_csv(filepath)'.

Comparing Dask and Pandas

Dask dataframe can easily handle the 2.66GB file and manage to read it in a short time.

Pandas could not at all manage to read the 2.66GB due to its large size.
